How much is it to join the MU?

Our annual Membership Fees are based on your previous year's gross earnings (ie. before tax) from music and are payable in advance

▶ **Did you earn more than £15,000 from music in the last twelve months? PREMIUM**

You can pay **£22 per month**, £66 per quarter or £264 per year by Direct Debit.

Alternatively pay £269 per year by cheque or credit card

▶ **Did you earn less than £15,000 from music in the last twelve months? STANDARD**

You can pay **£12 per month**, £36 per quarter or £144 per year by Direct Debit.

Alternatively pay £149 per year by cheque or credit card

▶ **Are you a student in full-time education? CONCESSIONARY**

You can pay **£5 per month** or £15 per quarter by Direct Debit.

Alternatively pay by cheque, credit card or Direct Debit £60 per year

The Concessionary rate is available for members who are in full time education. Subscription rates are based on gross earnings from music, including teaching and all ancillary payments. Teacher members who are also members of a TUC affiliated union should exclude from their calculations those earnings which are covered by their subscriptions to other Unions. In such cases, their MU subscription should be based upon earnings from performances and any teaching outside the educational establishment in which they are employed.

Members who are paying their subscriptions in instalments by Direct Debit should note that membership is for twelve months from the date of joining.

**To join the MU simply detach, complete and return the Application Form.

Rules of the MU: *The Rules of the Musicians' Union are available from 1a Fentiman Road, London SW8 1LD or from the Union's website at www.musiciansunion.org.uk.*

Political Fund: *Trade union members need a political voice. Politicians make decisions that affect the lives of union members at work and at home. Unions need to be able to influence those decisions. For that they have to have a Political Fund. If you don't want to contribute to the MU Political Fund, however, you don't have to - you have the right to opt in or out of paying the levy whenever you want. For further details please contact the Union.*

HOW WE WILL TREAT YOUR INFORMATION

The Musicians' Union will obtain personal information from you when you register to become a member of the Musicians' Union, make a purchase from us, or enquire about our services. We will use your personal details and other information, in accordance with the preferences you have communicated to us, to provide you with our current and future products and services, for administration and member services purposes (including the production of the Musicians' Union National Directory), for marketing and to ensure that the content, services and advertising that we offer are tailored to your needs and interests. We may keep your information indefinitely for these purposes, so that we are able to continue to provide those aspects of the member or non-member services which continue beyond the term of your membership or association with us (for example, if we are asked in the future to contact you in respect of royalties). We may need to share your information with our service providers and agents for these purposes.

We may disclose personal data in order to comply with a legal or regulatory obligation. In addition, we may disclose your personal information, including your status as a Musicians' Union member, to third parties where we reasonably consider such disclosure to be for your benefit. It is not our practice to sell or rent our mailing list information indiscriminately, however, on occasions, we may wish to share your information with our business partners for marketing purposes. We or they may contact you by mail, telephone, fax, e-mail or other electronic messaging service with offers of goods and services or information that may be of interest to you. By providing us with your fax number, telephone numbers or email address you consent to being contacted by these methods for these purposes. If you do not wish to receive marketing information from us or from our business partners or by any of these methods, please tick the relevant boxes on the membership application.

By providing us with your personal information, you consent to our processing your sensitive personal data, such as your Musicians' Union membership, for the above purposes. You also consent to our transferring your information to countries or jurisdictions which do not provide the same level of data protection as the UK, if necessary for the above purposes. If we do make such a transfer, we will put a contract in place to ensure that your information is protected. If you provide us with information about another person, you confirm that they have appointed you to act for them, to consent to the processing of their personal data including sensitive personal data and that you have informed them of our identity and the purposes (as set out above) for which their personal data will be processed.

You are entitled to ask for a copy of the information we hold about you (for which we may charge a small fee) and to have any inaccuracies in your information corrected. For quality control and training purposes, we may monitor or record your communications with us. If your personal details change, if you change your mind about any of your marketing preferences or if you have any queries about how we use your information, please let us know by contacting the Assistant General Secretary (Admin), Musicians Union, 60/62 Clapham Road, London SW9 0JJ or email info@musiciansunion.org.uk. This data protection notice may change and therefore you should check it regularly at www.musiciansunion.org.uk. We will of course notify you of any changes where we are required to do so.

N.B. If paying your subscriptions by Direct Debit, please note that while your application will be processed upon receipt and your membership acknowledged by the MU, you will not receive your Membership Card for at least 14 days while we set up your DD facility.
