John and Jo (Wedding) - "Thank you to MIND THE GAP who were simply quite amazing. They adapted to our "intimate" venue really well and really stoked the party atmosphere. They played the perfect mix of music for our wedding and sounded absolutely fantastic - the mix of "live" instruments and excellent vocals was just what we had hoped for. Many of our guests commented on how good the band was and how they "made" the reception and we would have no problem recommending MIND THE GAP to any of our friends for their event"
