

Living Statues, Human Statues and Stilt Walkers

Living Statues and Human Statues

Classic living statues, human statues, mannequins, natural stone living statue, human statue acts and metallic living statues.

Less is definitely more as the mesmerizing stillness of the living statue melts into surreal comedy moments and high drama.

The Living Statue and or Human statues are very versatile, requiring minimum space they can be a theatrical solution for small areas, hold a large crowd in bigger areas and add artistic kudos to empty areas.

Classic Living Statues

Greco-roman neo-classical human statues are perfect for adding class to any environment. Any colour of human statue and living statue is possible.

Natural Stone Living Statue in Suit

Business man, city gent living statue. Completely enthralling, this human statue is named Bill Posters.

More than one available. Any costume can be turned into human statue stone effect.
