**ANY QUERIES OR PROBLEMS, PLEASE CONTACT:  
Your booking Agent as soon as possible**

# PLATINUM ABBA

## **Additional Requirements:**

Compressor / reverb (also required in vocal monitors) / delay effects for vocals, **CD player** for intro CD, and:

**6 SEPARATE** monitor mixes (Please note that, due to the complexity of recreating the ABBA sound live, it is **essential that each musician has his/her own separate monitor AND mix.** Failure to comply with this stipulation could jeopardise the show)

## **CHANNEL LISTING**
